Summer Program 2025
SWIMMING
At the WWII Memorial Pool

Dear Parents/Guardians,

Starting on June 23rd, each grade will have the opportunity to go over to the swimming pool. In order for all the grades to have the same opportunity, there will be a set schedule for the entire summer. Each group will have two assigned days to go to the pool. Each group is scheduled for a period of forty-five minutes. Swim time is weather permitting.

On the online registration, there is an option to grant your child permission to swim at the WWII Memorial Pool. Once we have your permission, your child may go swimming *every time* their group is scheduled to go over to the pool. Every child is required to take a swim test during their first visit to the pool. If your child chooses not to go to the pool during their group time, they will be placed with another group.

Groups will be leaving Community Field ten minutes before their scheduled swim time. Your child must leave with the group to be able to go. Children ARE NOT ALLOWED to be dropped off or picked up at the pool when their group is scheduled. First and Second graders will only be allowed in the small pool on the lower level. Trips to the pool, like all other trips, are a privilege and not a right. **This privilege may be revoked at any time the Summer Playground Staff or Pool Lifeguards feel warranted.**

If there are any questions, please feel free to call the playground office at 508 243-3181. If you have a pool question(s), feel free to call the WWII Memorial Swimming Pool at 508-699-7353.

Thank you!
